MARCH 31 · ISSUE 1

THE BULLETIN

We wish to welcome you to our new publication!

The Bulletin by Bunny Besties will keep you up to date on what we are up to and how we are reaching out to the community.

We have stepped up our outreach during this global pandemic and hope that you will follow us along on Facebook, Instagram and Twitter. We find this to be a crucial time to live our mission as people are stressed and isolated. We are a committed community of helpers and we can band together,

We hope you will continue to support us. We thank you!

JUST JENNIFER

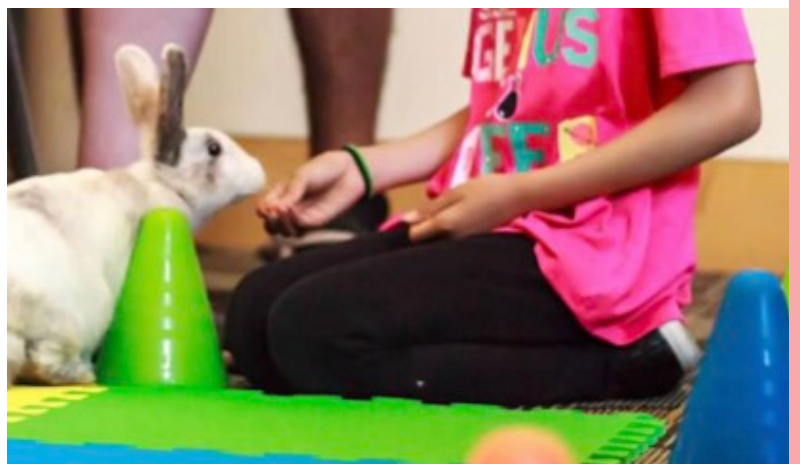

Dear Bunny Besties Community,

I am, just like you, saddened by the times we are in. A global pandemic has brought to life what it means to be in a community and what it means to protect the most vulnerable and those we love. I promise that it will be okay.

I honestly believe, when my life has taken its darkest trip into the valleys is when I became my better self. More to the core of whom I am supposed to be, 'just Jennifer.' I have taken to heart the quote, "Character is built in the valleys." We are all together in this valley right now. Let us create an outcome that will shape a better world once we emerge.

Please join me in supporting Bunny Besties through this difficult time. We as a community of helpers can get creative and continue to be there for those we serve. Please take care.

Your Bunny Bestie,
Jennifer Smith
Founder
Executive Director

WE HAVE BEEN NOMINATED TO WIN \$2000, BUT WE NEED LOTS OF VOTES TO WIN!

We thank the person who graciously nominated Bunny Besties Nonprofit for a chance to win \$2000 from City and County Credit Union. We like all the wonderful nonprofits that were nominated, are in great need of these funds to support our organization right now. This chance could not have come at a better time for us as the care for the rabbits is always the foundation of our organization.

Here is how it works!

- Each day go to our credit unions website to the page dedicated to voting. We can vote every single day from April 1 through April 8th.
- On Facebook you can visit either page, City and County Credit Union or Mill City Credit Union for the link.
- You can also go to the credit unions web site directly. That link is as follows below.
- Please copy and paste into your browser.
- https://www.cccu.com/financial-education/greater-good/greater-good-non-profit-voting?fbclid=IwAR0O6RoYng46JAYG_ZQsMo1Jsubz0I-e9hM9Ls8u07Z3YSf-sKrcSp_i_w

Together as a community we can win these much needed funds. We have a vet bill to pay!

“

I'd pick this over Netflix any day!

FOLLOW US!

Social media is a boom on the Bunny Besties Facebook and Instagram Accounts. We feel that so many people in the world are joining in this global stress and isolation. We felt we needed to help!

Our idea was simple, take what we are offering in person and respect social distancing by bringing our offering online. With our very large following we realized that we could reach more people than ever. We could reach our global community on social media and help the world be a bit 'hoppier.'

We have begun offering "Hoppy Hour" on facebook to our 14,428 followers that are all over the world. Last night we downloaded it to Instagram for our 1,607 followers. On Facebook online we are reaching up to 3,000 people with our Hoppy Hour.

We are proud to say on both accounts that we have "Influencer" status. Please follow us to learn more about what we are up to!
